

Gun It & Go™ Chopper

1870

They all want Coleco's battery-powered chopper with electronic "options"! A sound switch provides authentic motor running and idling sounds, and an electronic handlebar grip actually "revs" when turned. There's even a light on the dashboard that goes on when the sound switch is activated! The GUN IT & GO™ CHOPPER features authentic chopper styling, chrome plated roll bar, heavy duty steel fork, contoured body and seat, 2-position foot rests, 16" front wheel, wide track rear wheels for stability, personalized license plate, and the ability to travel at an average speed of 2-2.5 MPH! Six-volt rechargeable battery and recharger included.

Ages 4 to 7 (Maximum weight 65 lbs.)

Pack: 1 Weight: 24.2 lbs. Cube: 3.8'
