SUPER SLED™

1932

SUPER SLED™ STEERING TOBOGGAN

Super fun in the snow starts with the SUPER SLED™ — the toboggan with hand-grip steering and brake controls, too! Bright red body is constructed of tough polyethylene with "flame" decorations, and features a contoured raised-back seat and a roomy 34" x 17" size. This fast little toboggan is loads of fun, and a full color label calls out the features!

- Bright red toboggan has hand-grip steering and brakes.
- Measures 34" x 17"; features contour raised-back seat.

Ages 5 to 10

Pack: 6 Weight: 24 lbs. Cube: 6.8'

MOLDED SNOW SHOVEL

1974
