

**5990 THE TRANSFORMERS®  
PRETENDERS™ FIGURE ASST. 1**  **NEW** 

Ages: 5 & Up

The Transformers Pretenders add new meaning to the term "robots in disguise!" They're twice the power with double the excitement! These highly decorated, lifelike space explorers disassemble to reveal Autobot® robots that transform to high-speed vehicles and back! To counter these Autobot infiltrators, the Decepticons® send in grotesque, mutant creatures which open to reveal evil robots that

change into deadly Decepticon vehicles and back! The outer "shells" of each character can be reassembled. Using their poseable arms, detachable weapons and removable helmets, each makes a separate action figure, ready to stand by its robot counterpart in battle! Assortment includes 2 each of 6 different Pretender styles.
