The Official GALAXIAN™ by Bally Midway

It's the ultimate space showdown! GALAXIAN™ is a tabletop arcade game that goes home with your customers! It's three games in one: GALAXIAN™ pits the player's defending ship against an alien attacking formation. HEAD TO HEAD™ GALAXIAN™ pits two players against each other as they command their own ships. Both have fighters that break away to attack and defend. Who will survive? The third game — Bally Midway's ATTACKERS™ — allows the player to control the defender ship against a column of advancing aliens. Faster and closer they come — how long will the ship last? GALAXIAN™ plays, sounds and scores like the big arcade version, features "Best Score" and has a brilliant multi-color display, too.
