

Smurf™ Power Cycle™

1824

The darling of the pedalin' set is back again for another season of super sales volume! This sturdy polyethylene cycle is shaped just like the true-blue SMURF™, and features a 3-position adjustable seat back that "grows" with the child . . . plus nonslip pedals, sure-grip handlebars, and Coleco's safety-tested wide track rear wheels. There's even a motor racing sound when it's pedaled!
