

### Inspector Gadget™ Car # 7509

Inspired by the hit TV cartoon series of the same name, this cleverly designed car transforms into a police van just as it does on the show. It fires rockets from a hidden compartment, and the rear of the van opens for storage. Free wheeling on detailed rubber tires this nicely styled vehicle will be a great seller in 1985!

### # 7510 Dr. Claw™ Car

Dr. Claw™ Inspector Gadget's™ arch enemy, has his own transforming car. This amazing free wheeler is loaded with action packed play value! Change the car into an aircraft or submarine by rearranging its many moving parts. Press a button and fire two "Face Missiles" which are actually the car's front fenders! Place this item on your shelves and watch it disappear!
