Mongor™ (Ming's Evil Snake Vehicle)
#5115

MONGOR™ . . . the one being more menacing than his captor: Ming the Merciless™.

As seen on the new hit TV series, MONGOR™ is Ming's ferocious python palace guard and pet. Only Ming would willingly ride this great reptilian beast as MONGOR'S eyes gleam in fierce strobing action and his tongue flickers out malevolently.

Of course any other D.O.E. figure can ride MONGOR™ and experience the undulating snaky movement for himself . . . but first you have to ask Ming!
