HELICOPTER ASSORTMENT

Ages: 5 & Up

The AH-64 Apache Helicopter is the most potent attack helicopter ever to see service and is the newest member of the Flying Fighters aerial arsenal! Features functioning rotor blades and a detachable control stick that makes realistic sounds of spinning chopper blades, missile lock-on and launch, and machine gun fire. Modeled after two of the most exciting, real-life Army chopper companies, each one comes complete with pilot and gunner, double-sided poster with detailed company information, replica company patch and more.

Three "AA" sized batteries required (not included).

FIGHTER JET ASSTS. I & II

Ages: 5 & Up

These combat-ready jets are swift and lethal! The F-4E Phantom and the A-10 Warthog are the latest fighter jets to join the Flying Fighters squadron! Both planes feature a detachable control stick that produces actual in-flight electronic sounds of jet engines roaring, missile lock-on and launch, and machine gun fire! Each comes with 2 pilots, bio card, double-sided poster and detailed jet specifications with squadron history, missiles, bombs, retractable landing gear and replica squadron patch.

Two "AA" sized batteries required (not included).
PK: 6
