

MANGLORS™

Manglors™ Action Alien Figures with New "Prehi-Storage" Play Eggs!
Assortment No. 48037

NEW

Assortment consists of: Manglodragon™, Manglodemon™, Manglord™, Manglizard™, Manglodactyl™ and Manglosaurus™. Sensational MANGLORS Action Aliens are 7" stick-icky creatures

from another dimension! And now they're packed with their own unique play environment—a dinosaur-like egg! This dramatic new packaging innovation—providing storage, portability and a playset all in one—adds play value to a proven hit concept in novelty figures.

Made from the strangest stuff on earth, Manglors can withstand being rolled into a ball, they stick to almost

anything, and can even be mangled to take on different forms. Pull off their arms and legs and put them back on again! Now there are 3 new Manglors monsters—a total of six, each packed with its own Egg, complete with rocklike base and figure stand.

For ages 3 years and up
