

**Knight Rider™* Lighted
Electric Slot Racing Set
No. 32001**

Straight from the hit TV series comes this slot racing version of the show's computer-controlled indestructible Knight 2000™ car, locked in chase and race excitement with the big bad Semi Truck! Watch Knight Rider show off his split-second precision maneuverability on the cloverleaf and ramps. This unique slot racing system allows vehicles to exit the

highway on the single-lane off ramps and return traveling in the opposite direction! There's even the dangerous challenge Chicane, where the lanes merge together for hair-raising "chicken" action!

Complete with over 20' of single and double lane track in a 2.4' x 6' layout, Lighted Knight 2000™ car, Lighted Semi Truck, 2 pistol-grip racing controllers, UL-listed wall pack transformer, terminal track, special chicane track, 4 double lane

curve tracks, 2 single lane curve tracks, 4 single lane straight tracks, 2 switch-off tracks, 2 exit tracks, trestle set, decorative labels, instructions and Full 90-Day Warranty. For ages 8 years and up
